Thanks for the update. I'm not sure if our response made it out the door either.

Bill: I just wanted to close the loop with you. It appears that the concerns raised by Speaker Boehner's field office were resolved w/o sending a letter response.

Good Morning Sir,

As per Margaret Anderson, from CG-0921, the Congressional Inquiry was not signed because they closed the matter on November 19th and a response was no longer required.

Please let me know if you need any further assistance. Thank you for your time!
